Orthotics, Bracing, Diabetic Shoes

At Next Step Foot and Ankle Centers it is a priority to provide our patients with the proper foot wear, and equipment needed to improve mobility and overall foot health. We offer a full selection of diabetic shoes in many styles and sizes to meet your needs! Custom orthotics and inserts accommodate all foot sizes and styles of shoes to improve walking and exercising. Next Step Foot and Ankle Centers also provides patients with Moore Balance and Arizona brands of custom AFOs(Ankle-Foot Orthosis) to keep you on your feet! We also make available a variety of night splints, ankle braces, walking boots, and more to assist in improving patient mobility!

Holiday Orthotic Sale!

We are now offering an orthotics self-pay special from November 15th until December 31st. These regularly cost \$350 each!

One pair for \$250
Two pairs for \$400

Podiatrist Spotlight!

Douglas Basso, DPM

Originally from Collinsville, IL, Dr. Douglas Basso is excited to treat patients near his home. Dr. Basso attended Midwestern University in Glendale, Arizona for his Podiatric Medical Education. Upon completion, his professional podiatric training was done at Norwegian American Hospital in Chicago, IL. He received extensive training in rearfoot and forefoot surgery, wound clinic, and inpatient care during this time.

Dr. Basso is a member of The American Podiatric Medical Association, The Illinois Podiatric Medical Association, The American College of Foot & Ankle Orthopedics and Medicine, and The American Academy of Podiatric Practice Management.

Throughout 2011-2013 Dr. Basso proudly dedicated his time to community services, providing palliative care for the homeless and veterans. When Dr. Basso is not caring for his patients, he enjoys spending time with his family.

Medical School: Midwestern University College of Podiatric Medicine, Glendale, AZ 2015

Residency: Norwegian American Hospital, Chicago, IL 2018

Board Certified: American Board of Podiatric Medicine since 2019
